I understand that this information serves as:

- A basis for planning my care and treatment
- A means of communication among the many health professionals who contribute to my care
- A source of information for applying my diagnosis and surgical information to my bill
- A means by which a third-party payer can verify that services billed were actually provided
- A tool for routine healthcare operations such as assessing quality and reviewing the competence of healthcare professionals

I understand and have been provided with a Notice of Information Practices that provides a more complete description of information uses and disclosures. I understand that I have the right to review the notice prior to signing this consent. ## Consent for Services and Financial Policy

As a condition of treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from patients for the costs incurred in their care. Financial responsibility on the part of each patient must be determined before treatment.

As a courtesy to you we will complete your insurance form and submit it to the insurance company. Your estimated co-payment (the amount not covered by your insurance) for treatment is due at the time treatment is provided. If you fail to bring the required insurance information to your appointments we will ask that you pay the bill in full and be reimbursed from your insurance company with paperwork provided by our office.

Our office does not guarantee that your insurance company will pay for the treatment you receive from our practice. If your claim is denied or the treatment is down-coded and/or alternative benefits given, you will be responsible for paying the full balance amount left on the account at that time.

An interest charge of 1.5% per month on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.

I understand that any fee estimate for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me by this practice, I agree to pay the charges for the services at the time of treatment, or within five (5) days of billing if credit is extended. I further agree that the charges for services shall be as billed unless objected to, by me, in writing, term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me to discuss this statement or my treatment.
